

Bartók in Britain: a guided tour, 1989, 168 pages, Malcolm Gillies, 0193152622, 9780193152625, Clarendon Press, 1989

Based on a complex web of Hungarian, British, and American sources, this study of Bartók's series of British concert tours in the years between 1904 and 1938 explores his views--and those of his British acquaintances--on pianism, compositions, and social questions. Set against the backdrop of a rapidly changing British music scene, the book also examines the composer's relationships with critics and performing associates.
